# From Bishop Daniel G. Beaudoin

Dear Friends in Christ,

*“I did not shrink from doing anything helpful, proclaiming the message to you and teaching you publicly and from house to house, as I testified to both Jews and Greeks about **repentance toward God** and faith toward our Lord Jesus.” (Acts 20:20-21).*

Two weeks ago, I was on a zoom meeting with the Conference of Bishops. Pastor Albert Starr was a guest presenter. Pastor Starr serves as the Director for Ethnic Specific, Multicultural Ministries, and Racial Justice. The words that he shared with us were grounded in prayer and Scripture. As he reflected on the murder of George Floyd and the subsequent nationwide protests, he spoke a phrase that I cannot let go of. He said that the way forward will be marked by a “**metanoia movement**”. Metanoia is the Greek word for repentance, so Pastor Starr was calling us to a “movement of repentance” that brings sweeping change to our personal and collective hearts and minds. How very true and how very Biblical.

In the Book of Acts 20:20-21, Paul reminds the Ephesian elders about the message of the Crucified and Risen Jesus that he proclaimed and taught from house to house. This message was marked by a call to repentance and a call to faith. Reading these words from the Book of Acts reminded me of the opening words of Jesus in the Gospel of Mark. *“Now after John was arrested, Jesus came to Galilee, proclaiming the good news of God, and saying, **‘The time is fulfilled, and the kingdom of God has come near; repent, and believe in the good news’**” (Mark 1:14-15).* The message of the good news of Jesus is also grounded in a call to **repentance** and a call to **faith** (believe). It appears to me that Jesus, St. Paul, and Pastor Starr are all speaking the same language.

Later this week, I plan to call Pastor Albert Starr to learn more about his call for us to begin a “metanoia movement”, a movement of repentance to change our personal and collective hearts and minds.

As you pray and ponder these next few days, how might you and your parish take a first step into a “metanoia movement” toward racial reconciliation and justice?

## A NOTE FROM THE PASTOR

Dear friends in Christ.

What troubling times we are currently living in. For over three months we have been fighting the Coronavirus. For several months we have watched protest marches, some turning violent. We have been watching police shootings and monuments being torn down. As people of God, how do we respond to all of this?

One of the things I think we have to do is curb our own egos. A lot of these things are happening because we think that we are more important or better than others. We feel that the mandate to wear masks is an infringement on our rights. We feel that the protests are unjustified because they are disturbing my peace. And the list goes on.

First off, I wear a mask to protect you, not me. If I love my neighbor as much as I love myself, I would not want you to get the virus. And so, out of love for you, I wear a mask. This past weekend, we were with some friends who have hearing aids. They were telling us how difficult it is to wear masks with their hearing aids. And yet, they had their masks on.

We must also realize that even though slavery ended many years ago the stigma goes on. Many of us have had little contact with African Americans, except for the times we might see them in a store. And so, we do not fully understand what they have been going through. We may not even realize that we might have been treating them unfairly.

And how many of us know what the policemen go through every day? Or the firemen, or those who work in the intensive care units in the hospitals.

The question in all of this is how do we as Christians, live out our faithfulness to God?

Are we patient and kind? Are we concerned about the safety of others? Have we been upset or angry because the churches have been closed? In all of this, how have we been living out our faith in a loving, forgiving and caring way? Through Jesus, God has shown us how much He loves us. Through these troubling times, how have we reflected that love?

Pastor Ralph

*"Love  
your Neighbor  
as Yourself."*

**June 26, 2020**

Dear Trinity Member,

This letter is to inform you of the upcoming return to In-person worship services at Trinity.

When trinity does return to gathering for parish activities, we seek to do it in ways that are inclusive and safe for the most vulnerable among us. **We gather because we love God, but we limit ourselves because we love our neighbor.** It is important to stress that in this time, not gathering for worship does not make you a “bad Christian” or mean that you do not love God. In fact, it is entirely possible that the most loving thing you can do right now for yourself and your fellow Christians is not gathering for worship.

**PLEASE STAY AT HOME** if you are symptomatic or have a temperature or have been exposed to someone who has shown symptoms. Please consider staying at home if you are a “high risk” individual. And please remember that you will still be able to view our taped worship services on Facebook each week during this time also.

For the sake of the health and safety of our members, Trinity will strive to follow the guidelines from the Northwestern Ohio Synod office, the State of Ohio Department of Health, and the Center for Disease Control.

Worship: We will resume gathering for worship on Sunday, July 5<sup>th</sup>, at 9:00 am only and Sunday thereafter until further notice. To maintain physical distance, we have limited seating. **You must call Carol, the church secretary, at 419-626-0204 by Thursday at noon to reserve a spot for that weeks' Sunday worship service.**

Wearing a mask during an epidemic is a courtesy to those around you. **Please bring your own mask** and we ask that it remain on for the duration of the worship service and if you are in the building.

The church will have hand sanitizer available but bringing your own and using it often is a good idea. Hymnals, cards, pencils, and cushions have been removed. Please bring your own cushion if you need to use one.

**Only the south and elevator doors will be open for use at this time.** Doors to the church will be opened 15 minutes before the worship service begins. An usher will direct you to a seat. Families and couples will be seated together.

For the sake of physical distancing, cleaning, and sanitizing; we will strive to use as little of the building as possible. Hallways, rooms, and areas of the church such as the Fellowship Hall and church office may be closed off. Please only use the designated areas, entrances, and exits.

No food or drink will be allowed in the Sanctuary as has been done previously.

There will be no Sunday school, no sharing of the peace, and no coffee room. Please do all socializing outside the church building only.

Communion will be offered every Sunday by the continuous distribution process.

**There will be no passing of the offering plate.** There will be an offering plate at the front Sanctuary entrance only and you can drop off your offering when you enter or leave the worship service.

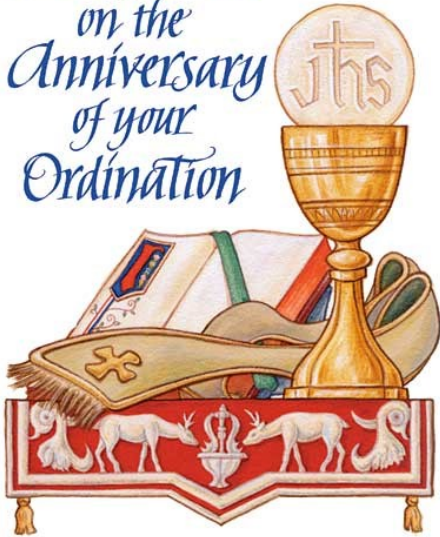

**There will be singing!** We will sing an opening and closing hymn and a mask must be worn when doing so.

We hope you find these guidelines helpful when making your decision to return to In-person worship and we pray you will all be cooperative with following them for the sake of each other's safety. And ask that you be kind and considerate of one another; put aside politics or the need to be right for this one hour. Prayers for Trinity and its members is always encouraged!

Yours in Christ,

Candy Beatty  
Committee Chairperson

## **TIME TO CONSIDER WHERE MISSION ENDOWMENT FUND PROCEEDS SHOULD GO**

We'll soon have a second-quarter report on the status of Trinity's Mission Endowment Fund. And, next month, our Stewardship and Finance Team will begin to consider possible destinations for the money the fund has earned through investment.

The Stewardship and Finance Team will make a recommendation to the Congregation Council, and, in turn, the Council will place its recommendation before the congregation at its annual meeting in October.

Now is the time for you to consider making a recommendation as to where some of our proceeds should go for the sake of our Lord's mission to our area and beyond. Is there work being done for the good of others that would be an appropriate destination for some of our fund earnings?

Think on it; talk with others. And, communicate your idea to president Dave Miller, Jim Bertsch, or the church office. Thanks!

Dear Mr. Bertsch,

EHOVE Adult Education would like to take this opportunity to thank you and your church board for providing two scholarships for STNA students. To offer these scholarships to students was such a blessing to us and to the students. Both students were so surprised when we informed them their program would be paid for by the generosity of your church!

I did ask both students to reach out to you and thank you for this amazing opportunity. I hope they have done this. I can tell you both of the recipients were incredibly thankful and surprised with this gift. One of the students has successfully completed the program and passed her certification exam. The other student is currently enrolled in our most recent STNA class and I anticipate she will do well and earn her certification.

Again, we want to thank you for the kindness and generosity your church has displayed by reaching out to meet the local community need of having additional State Tested Nurse Aides. We are grateful.

Sincerely,

Dear Friends at Trinity Lutheran -  
When I heard last year that Pastor Gardner was retiring, I so hoped your congregation would be blessed with a pastor who shared your love for service to the community. Seeing the names of Pastor Ralph and Pastor Cathy, really brought joy to me.

Reading the most recent Trinity Times from cover to cover makes me think you are in good hands! Over lives have really been changed there last few months.

My move to Violet Springs Health Campus was a wise one. My apartment is on the second floor which is Independent Living. This facility is part of Trilogy, a well -

managed parent company. Growth has been curtailed due to the coronavirus but a full staff is managing Assisted Living, Health Campus, and a Memory Unit as well as our unit.

I have not minded being semi-quarantined. The administrator saw to it that I got a large table for working puzzles (1,000 piece ones, usually). Since I moved here mid-January, I have completed 4 or 5 - love working on them.

Daughter Angela and her husband Russell (Dobbin) have been so good to me, getting me moved in and now doing shopping for me since we are encouraged to stay home. I sure will miss the Lutheran Chautauqua this year.

Enclosed is the small check to help with mailing costs. Thanks for continued friendship.
