A NOTE FROM THE PASTOR

It doesn't seem possible that we are entering the month of October. Where has the time gone? Even though we have not had the usual year so far, it still seems to have gone so fast.

As you know, at the end of October, we remember Luther and the Reformation. How the nailing of the 95 Theses on the church door changed the life and direction of the church. Priests were now allowed to marry; congregational members were permitted to receive both the bread and the wine in Holy Communion. The Church was divided again. (Remember the first time the Church was divided was in the first part the 10th century when it was split into the Eastern and Western churches.) And from that point on, there were further splits within the Western Church. There eventually became the many denominations we now know. Yes, things change.

We have seen churches come together and have seen them split again. Just look at our Lutheran heritage. At one point, here in Ohio, we were one. Then the decision was made that we should have a school of theology here in Ohio. However, since we were a German speaking people in an English-speaking country, should the language of this school be German or English? We could not agree, so two schools were formed, one in Columbus, and one in Springfield. The schools that we now know as Capital and Wittenberg. The Church was again split. And as you know, there were further splits. However, in our lifetimes, some of these splits have been resolved, but then other questions came up such as the ordination of women and then of people of gay leanings. And so, the church was split once more.

And now here we are in the midst of a pandemic that sees us voicing and feeling differences of practices and opinions. Vaccine or no vaccine? Mask or no mask? Normal worship or abbreviated worship? Sometimes we struggle with what it means to follow the teachings of Jesus in all of this. How do I love my neighbor as much as myself when I make the decision of what to do? In our present culture, it seems to be difficult to make decisions that benefit more than just me. Throughout His ministry, Jesus always taught that “We should love our God with our whole hearts, minds and souls and we should love our neighbors as much as ourselves.” How can we live this out when we have so much division in our culture right now? And it's not just the pandemic. Our nation is divided on so many issues. Maybe the only thing that will bring reconciliation is to try to live the teaching of doing to others as we would want them to do to us. Are we up to that kind of love and caring? May God give us the hope, faith and strength to do that.

Pastor Ralph

Worship Music & Ministry

MASKS ARE NOT MANDATORY!

There has been some chatter that we have mandated masks at our Worship Services. This is not true and even the signs that are on our doors say that you are kindly asked to wear one. But it does not say they are mandatory. The word from our Synod, which is where the Worship and Music committee takes its suggestions from and then passes them on to

you, is stating that we should suggest masks be worn at this time for the **protection** of each other. But, at the time of the printing of this newsletter, we have NOT made them mandatory yet.

But we are making a couple changes to our worship area. Starting in October, we will be going back to the seating of every other pew to distance each other from being too close so we can continue with our singing of the hymns. Also, you will be seeing only one usher/greeter at the front entrance to the Sanctuary. This person's main concern is to greet any new visitors, get a count of the people worshipping, and take care of the offering envelopes after the services. There will now be a table sitting at the back of the church with the bulletins and an offering plate on it for those who enter at the back of the church. Our hope is that if you sit in the back and a visitor does come in that way that you would be courteous and welcoming to them.

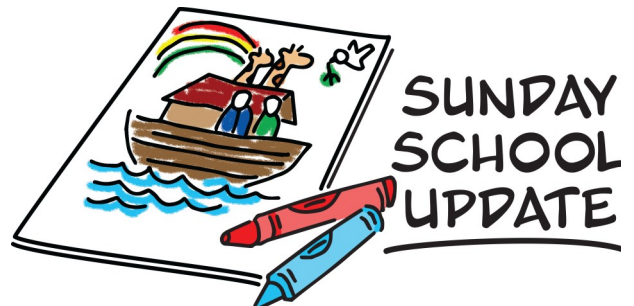

And of course, should things get any worse with the Covid situation, changes made need to be made and we will inform you of them in the best way we can. Our committee would like to thank you all for your understanding with these difficult situations and we pray that you are all thankful, as we are, that we are still able to worship at all together in our church.

SUNDAY SCHOOL TIME CHANGE!

Because our Worship services have been getting over with earlier than usual we will now be starting Sunday School at 9:00 am and ending at 10:00 am. This way it gives our teachers more time to do more things with the kids and if we should go past 10:00 am it will not run into the start of the 10:30 am Worship Service.

We NEED you. Can you HELP?

Our youth will be collecting items during the month of October to help them with a project they will be doing with the kids at Grace Lutheran church.

HELP THE HOMELESS is a new activity that is taking the place of Cardboard City that our kids normally participated in.

They will be meeting for one night to learn about homelessness in our area, pack up the items we are collecting and add them with the bags that were made up during our Gods Work, Our Hands Day activity.

We are asking for you to bring in one of each of the following items to make up one kit:

- 1 winter hat adult size
- 1 pair of gloves adult size
- 1 snack bar
- 1 wash cloth with a bar of soap

If you would like you can place your items in a Ziplock bag to make one kit. Then place your completed kits in the basket at the front entrance of the Sanctuary.

Again, we will be doing this only during the month of October, so the 31st will be the last day to turn them in.

TRUNKS FOR TREATS!

We will once again be having Trunks for Treats for our Sunday School kids on Sunday, October 31st during the Sunday School hour.

We are asking again this year that your treat be in individual bags. If you are giving out numerous pieces of candy, please put them in a plastic bag together. No loose candy for the kids or you to put any hands into.

We want to keep this as safe as possible for our kids here at the church and yet let everyone have a good time.

thank you!

Sunday, October 24 at 2:00 pm

They will bring food in in crock pots so use of ovens/stove is not needed. Council approved with them knowing they are to follow any COVID guidelines we would have in place at that time. Carol will ask Barry to get Trinity a new Narcan for our first aid kit. Barb asked if there had ever been an inventory done at Trinity. Doesn't appear to have been done. She is willing to work on this. We will ask for volunteers to help her. Barb requested that council reread the Bylaws and Constitution as we seem to vary from it. Maybe it needs to be updated to suit Trinity's more current status. Pastor Ralph is willing to help with this.
